

“LEVERAGE THE EXCELLENCE”

Step into a world where innovation and excellence converge. At Loopverse, we are more than just service providers – we are your dedicated partners in creating comfortable environments and secure spaces. Our mission is to deliver exceptional results tailored to your unique needs.

With a relentless commitment to quality, we go above and beyond to exceed your expectations. From concept to completion, we bring together cutting-edge technology, skilled craftsmanship, and a passion for perfection to redefine what is possible.

Join us on this transformative journey as we collaborate to shape extraordinary spaces and unlock new possibilities. Together, we will create a future that surpasses imagination.

## OUR MISSION

At Loopverse, our mission is clear: to transform spaces and empower visionaries. Through innovative solutions and unwavering dedication, we redefine what is possible, creating environments that inspire and uplift.

Join us as we embark on a transformative journey, shaping spaces that reflect your vision and leave a lasting impact. Together, let's unlock the potential within every space and empower your dreams to become reality.

# HVAC

We provide expert installation, maintenance, and repair services for heating, ventilation, and air conditioning systems. Whether it's installing a new HVAC system, performing routine maintenance, or resolving complex issues, our technicians are trained to deliver efficient and reliable solutions.

- Efficient, reliable, and cost-effective solutions that ensure.
- Optimal temperature control for enhanced comfort.
- Energy savings through optimized system performance.
- Extended equipment lifespan, reducing the need for frequent replacements.

# KITCHEN VENT CLEANING

WHEN TO CLEAN YOUR KITCHEN EXHAUST SYSTEM?

We offer thorough cleaning services for kitchen ventilation systems, including exhaust hoods, ductwork, and filters. Our team ensures that grease, dirt, and other contaminants are effectively removed, promoting a safe and healthy environment in commercial kitchens.

Kitchen Usage	Up to 6 Hours	6 - 12 Hours	12 - 16 Hours	16 + Hours
LOW	Every 12 Months	Every 12 Months	Every 6 Months	Every 6 Months
MEDIUM	Every 12 Months	Every 6 Months	Every 4 Months	Every 4 Months
HIGH	Every 6 Months	Every 3 Months	Every 3 Months	Every 2 Months

- Fire safety, improved air quality, and compliance benefits, including.
- Reduced fire hazards by eliminating grease buildup.
- Removal of contaminants for a healthier kitchen environment.
- Compliance with health and safety regulations for commercial kitchens.

## ROBOTIC DUCT CLEANING

Using advanced robotic technology, we conduct precise and efficient duct cleaning. Our robotic systems are equipped to navigate through complex ductwork, removing accumulated dust, debris, and allergens, which helps improve indoor air quality and enhance system efficiency.

- Thorough, efficient, and enhanced system performance with advantages such as.
- Complete removal of dust, debris, and allergens for improved indoor air quality.
- Minimized disruption to operations due to non-invasive robotic cleaning.
- Potential energy savings and improved HVAC system efficiency.

## DUCT FABRICATION

We provide customized duct fabrication services, designing and manufacturing ductwork tailored to specific project requirements. Our fabrication process ensures the production of high-quality duct systems that are durable, efficient, and precisely fitted for optimal airflow.

- Customized, high-quality duct systems offer.
- Optimized airflow distribution for efficient HVAC performance.
- Long-lasting durability and resistance to corrosion.
- Noise reduction for a quieter and more comfortable environment.

## KITCHEN EQUIPMENTS

- Reliable appliances, installation, and maintenance that provide.
- Increased operational efficiency and productivity in the kitchen.
- Consistent and precise cooking results for customer satisfaction.
- Expert guidance in selecting the right equipment for specific needs.

When it comes to kitchen equipment, Loopverse is your trusted partner. We offer a wide range of high-quality kitchen equipment solutions for commercial establishments. From ovens and grills to refrigeration units and fryers, our expert team ensures that your kitchen is equipped with reliable and efficient appliances. We provide installation, maintenance, and repair services, catering to the unique needs of your culinary operations

## CCTV

At Loopverse, we specialize in comprehensive Closed-Circuit Television (CCTV) solutions to enhance security and surveillance for residential, commercial, and industrial properties. Our expert team designs, installs, and maintains high-quality CCTV systems, utilizing advanced technology and equipment. From strategic camera placement to remote monitoring capabilities, we ensure that your property remains protected and secure.

- Enhanced security, remote monitoring, and evidence collection, including.
- Deterrence of criminal activities through visible surveillance.
- Real-time remote monitoring for proactive security management.
- High-quality footage for incident investigation and evidence purposes

## UPVC

Loopverse is your go-to provider for high-quality uPVC (unplasticized polyvinyl chloride) solutions. We offer a range of uPVC products, including windows, doors, and frames, known for their durability, energy efficiency, and low maintenance requirements. Our team ensures precise measurements, professional installation, and excellent craftsmanship, providing you with uPVC solutions that enhance the aesthetics and functionality of your space.

- Durability, energy efficiency, and aesthetic appeal benefits include.
- Exceptional durability, resistant to rot, corrosion, and weather elements.
- Energy-efficient properties, providing thermal insulation and reducing heat transfer.
- Low maintenance requirements, saving time and costs over the long term.
- Aesthetic appeal, with a wide range of styles and finishes to enhance your space.

At Loopverse, we understand the importance of effective signage for your business. Our skilled team specializes in the design, fabrication, and installation of custom sign boards. Whether you need indoor or outdoor signage, illuminated or non-illuminated, we work closely with you to create impactful and visually appealing sign boards that reflect your brand identity and attract attention

## SIGN BOARD

- Reliable appliances, installation, and maintenance that provide.
- Increased operational efficiency and productivity in the kitchen.
- Consistent and precise cooking results for customer satisfaction.
- Expert guidance in selecting the right equipment for specific needs.

## ADDITIONAL SERVICES

In addition to our core offerings, Loopverse provides a diverse range of other services to meet the comprehensive needs of our clients. Our highly trained professionals are equipped with the knowledge and expertise to handle various projects, ensuring exceptional results.
